What classes have you previously volunteered for with the Super Saturday Program?:

Do you have any special interests or talents that you hope to use in assisting in a classroom setting?

Is there a preferred class or activity for which you would like to volunteer? (*Note: Volunteers do not choose their assignment. All volunteer assignments are at the discretion of The Super Saturday Program*)

In order to help ensure that your volunteer experience is a positive one for everyone, do you have any physical restrictions, allergies, or other medical issues that may be relevant to your volunteer assignment? This information is used to ensure that a volunteer is not placed in an assignment that might have adverse health consequences (e.g. ensuring a volunteer with a severe food allergy is not assigned to a cooking class).

Please list any dates that you know you will have to miss (e.g. sport meets/games, school concerts, school performances, family out of town, etc.). If you will need to miss more than two weeks during a term, we suggest signing up for a different term.
