How did you hear about our program?

Why do you want to volunteer with the Super Saturday Program?

Do you have any special interests, talents, or experience that you feel would be valuable to assisting in a Super Saturday classroom setting?

What kind of work do you enjoy doing?

Is there a preferred class or activity for which you would like to volunteer? (*Note: Volunteers do not choose their assignment. All volunteer assignments are at the discretion of The Super Saturday Program*)

In order to help ensure that your volunteer experience is a positive one for everyone, do you have any physical restrictions, allergies, or other medical issues that may be relevant to your volunteer assignment? This information is used to ensure that a volunteer is not placed in an assignment that might have adverse health consequences (*e.g. ensuring a volunteer with a severe food allergy is not assigned to a cooking class*).
