How did you hear about our program?

Why do you want to help with the Super Saturday Program?

Do you have any special interests, talents, or experience that you feel would be valuable to assisting in a Super Saturday classroom setting?

What kind of work do you enjoy doing?

Is there a class or subject you would prefer to help with? *Note: Teens do not choose their assignment. All teacher's aide assignments are at the discretion of The Super Saturday Program.*

In order to help ensure that your participation is a positive experience for everyone, do you have any physical restrictions, allergies, or other medical issues that may be relevant to your assignment? This information is used to ensure that a teen is not placed in an assignment that might have adverse health consequences (*e.g. ensuring someone with a severe food allergy is not assigned to a cooking class*).
